Areas of Use

ACTION 170 S safely and effectively cleans most common natural or synthetic fibers. Use on carpets, rugs, floor/entrance matting, sofas, fabric chair seats and backs, cushions and fabric automobile upholstery.

Special Features

- Contains no chlorinated solvents or bleaching agents- does not stain or discolour common fabrics like cotton, wool, acrylic, nylon and polypropylene.
- Suitable for both hot or cold water extraction.
- Low foaming allows easy rinsing of fabric.
- Optical brighteners restore fibres to their original lustre and colours.
- Leaves a pleasant fragrance after use.
- Fully & rapidly biodegradable.

Directions for Use

Dry vacuuming regularly and just before spray extraction is always recommended. If there are heavy or deep stains, pre-treat the stain with a good stain remover such as **POWER SPOTTER** prior to cleaning.

- Normal soils ~ 1:80
- Heavy soils ~ 1:50

Note: Over wetting of carpet may cause shrinkage and browning. This is not due to the detergent. Due to the variety of fibers and colours available, always test on an inconspicuous area first.

Precautions

As with most chemicals, avoid ingestion and eye contact. Wash hands thoroughly after use.
