Company Registration No: 197100402R

KLENCO products are used in over 20 countries across Asia, the Middle East, Europe and Africa

Duplex is designed with the highest technology as the simplest and most effective solution for deep cleaning and drying countless floor types, with total recovery of fluid and solid dirt. Duplex has the ability to clean under furniture, along the wainscoting and into the tightest corner with ease.

With the bi-directional handle, its innovative design and maneuverability allows the user to reverse the Duplex's direction simply by inverting its handle, makes it easy to clean from right to left, forwards and backwards especially in restricted space. Duplex machines also have the option of disabling detergent solution recovery for prewashing which is a huge benefit when removing stubborn dirt.

Thorough & effective cleaning
Twin-cylindrical brushes ensure fast & efficient scrubbing especially on grouting & up to wall edges.

Effective forwards and backwards
Carefully balanced design ensures that the Duplex is the only floor washer truly effective in forwards and backwards operation.

Choose from four brushes to suit the required flooring.
BLACK - Heavy Duty Scrubbing
DARK GREY - Tynex extra abrasive scrubbing
GREY - Hard Floor & Short Carpet
YELLOW - Short/Medium Pile Carpet

Cleans to the very edge
The unique offset brush design and two way handle allows cleaning to the very edge
