Revolutionary Floor Scrubber

We are excited to present *HOORAY*, our professional compact floor scrubber. Outstanding maneuverability with full swiveling handle, to easily and effectively clean small areas and around & under obstructions.

This is truly a revolutionary machine, as high performance and heavy duty as it is versatile and ergonomic. It incorporates an extensive number of unique features, providing an abundance of benefits to you, the user.

Hip Hip HOORAY!

Benefits

- All-around, up & down pivoted handle with low profile scrub deck allows easy and comfortable cleaning anywhere (*Almost!*)
- 28kg scrubbing down-force, *it REALLY cleans!* Raise the squeegee to deep scrub like a rotary floor machine for tough stains.
- Various brushes and *full surface* pads available for different applications.
- Powerful 2-stage vac motor and parabolic squeegee with premium Linatex blade provides *superior floor drying*
- Control panel provides usage data & battery status, provides 3 different scrub speeds and eco-mode vac setting for lower noise
- Lithium-ion battery provides an hour of use, longer if on eco-mode
- *Sturdy battery connection points*, easy battery change removes the need to move machine to a charging point and allows longer operation time
- #304 stainless steel chassis...solid, corrosion free and long lasting
