PROFESSIONAL CARPET CLEANING SYSTEMS

SEBO AUTOMATIC XP 10 / 20 / 30

The radically improved **SEBO XP 10 / 20 / 30** is incomparably user-friendly due to its extremely lightweight upright section that needs to be supported by the user. It provides standard S-class filtration that removes pollen and microscopic dust particles such as dust mite faeces, making it ideal for sufferers of allergy and asthma.

Features :

- Automatic brush height adjustment for uneven carpet surfaces, and moving between carpet and hard floors without manual adjustment
- S-class secondary filter sock with 99.9% efficiency
- Lightweight upper machine body for fatigue free use
- Safety shut-off when suction blockage detected
- Tool free brush replacement
- High suction power
