

eKart 500

better products
cleaner environment

eKart 500 is a battery-powered, 3-wheeler, ride-on multi-purpose tractor with steel chassis, tubular guard rails allowing one additional stand-on passenger and a towing bracket.

With its silent operation, **eKart 500** is perfect for use at airports, shopping centres and quiet areas such as hospitals for moving heavy objects.

With an adaptable towing hook, the **eKart 500** can be matched to any trolley system or pallet truck, and accommodates an assistant with the operator to complete tasks faster.

eKart 500 can also be customized to your requirements.
