Highly absorbent all round cloth with enhanced latex pattern to improve cleaning performance.

Versatile all round cloth. The WiPro features make it a flexible and versatile cleaning cloth. WiPro can be used for almost every purpose and is "fool-proof" in use.

Good value-for-money. WiPro is a durable cloth with a good lifetime, which can be offered at a very competitive price.

Productivity. Advanced cleaning compound allows quick removal of stubborn marks and stains. This, along with excellent absorption for spill pick-up, spillages are taken away rapidly. This pays off every day and makes WiPro especially suited for kitchens and restaurants.

Product Description: WiPro is a great value-for-money cloth. It is highly absorbent and the latex cleaning pattern contains a special compound which allows the removal of even dried-on marks and stains. WiPro is durable in use and washes very well. The product's design and quality fit in perfectly with the modern cleaning business.

Material Composition:
25 % Cotton
30 % Viscose
15 % Polyester
20 % Rubber
10 % Siliceous Earth

Instructions for Use:

1. Prepare the cleaning solution in a 6-8 litre bucket.
2. Rinse WiPro in the bucket.
3. Wring WiPro to reach the desired moisture level.
4. Fold WiPro 2-3 times.
5. Wipe the surface with the closed edge in the wiping direction.
6. Change cloth side when WiPro has become dirty and apply the 8 (16) side technique.
7. When WiPro is completely dirty, rinse it in the bucket or under a water tap.
