# TYPHOON SE35D

## Self-Contained Carpet Spray Extractor

**TYPHOON SE35-D** is a self-contained machine, with double rotating brush, designed for professional cleaning of medium size carpeted areas. It washes, brushes and dries a stripe of 40 cm of carpet perfectly, removing the dirt form the base of carpet fibres.

**Main application fields:** hotels, conference halls, banks and big offices, shopping centres, airports and all places with vast carpet surfaces.

### Special Features:

- Able to deep pre-brushing of carpet before extraction cleaning, for a deep mechanical brushing action.
- Very silent working, that allows to use the machine with no discomfort for the worker and for other people
- Small dimensions for easy storage, transport, and mobility
