Versatile Upright Scrubber Dryer

better products
cleaner environment

Features

- Effective cleaning with dual counter-rotating disc brushes
- Low noise level (60dBA)
- Vacuum exhaust with HEPA filtration
- Quick release tanks, cleaning accessories and batteries for easy maintenance or replacement
- High mobility with non-marking wheels
- Foldable for confined standing storage
- User friendly design and interphase for optimal cleaning experience

Artist is the ultimate solution for efficient and effortless floor cleaning. Designed to navigate tight spaces with ease, it combines powerful performance with user-friendly features. Equipped with a powerful vacuum system, ensuring quick drying of various hard floor types, from tiles to hardwood.

Operates with exceptional quietness and an impressive dual battery system that allows extended use of up to 150 minutes. Its silent operation makes it ideal for quiet environments such as hotels, schools, hospitals, commercial buildings, and retail outlets.

Compact design making it easy to store
